Legacy Hewnstone

16 in. Grey/Tan Legacy Hewnstone® and Cap

The Keystone Legacy Hewnstone® unit and cap bring a natural cut limestone look to the outdoors with an earth tone color that blends into any landscape. With the special tapered design; straight, tight curves, or terraced walls can be easily constructed, enhancing the contours of your yard. These maintenance free blocks are lightweight and easy to handle, and its secure, interlocking design makes installation as easy as 1-2-3. The Keystone Legacy Hewnstone® Cap is a great finishing touch or can be an attractive small wall when used alone.
